Logging in through a web browser	1
Logging in through the FireFly App	2

LOGGING IN THROUGH A WEB BROWSER

Use this method if it is your first, second... however many times of logging in. You **do not** have to activate your account by using this method:

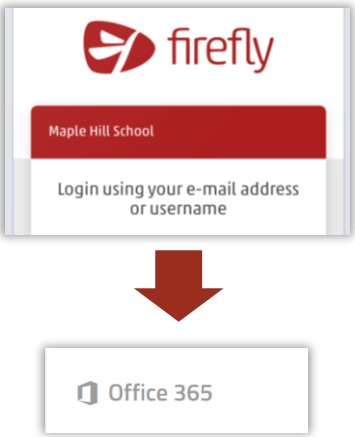

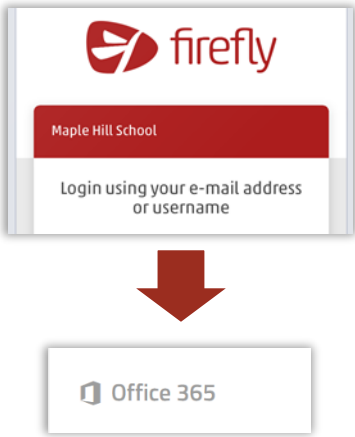

1. In your browser, type the following URL into the address bar – tytheringtonschool.fireflycloud.net
2. Select the Office 365 option to the right of the login box.
3. On the Microsoft screen that appears, enter your school email address. Your email address uses your username for logging into the school computer system, followed by an @ address and is structured in the following way:
[Username]@tythy.school
4. Enter the password that you use to get on to the school network.
5. You're in!

LOGGING IN THROUGH THE FIREFLY APP

You can download the App from the Apple App Store or Google Play Store. Download the App and then follow these steps to begin using the App for the first time:

<ul style="list-style-type: none"> If you'd like to receive notifications from the app, choose Allow. 	<p>1. Tap the app's icon to open it.</p>	
<p>TYTHERINGTONSCHOOL</p>	<p>2. Enter your school code, then select Next.</p>	<p>TYTHERINGTONSCHOOL</p>
	<p>3. Scroll down to the very bottom of the screen so that you can see button for Office 365.</p>	
<p>[Username]@tythy.school</p>	<p>4. On the Microsoft screen that appears, enter your school email address.</p>	<p>[Username]@tythy.school</p>
	<p>5. Enter the password that you use to get on to the school network.</p>	
	<p>6. You're in!</p>
